

To our valued customers

Caussade, 30th March 2026

Subject: Compliance with EU Regulation 833/2014

In accordance with European regulations concerning restrictive measures against Russia, in particular Regulation (EU) No 833/2014, as amended by Council Regulation (EU) 2023/1214 of 23 June 2023, the following prohibitions apply:

- the import, purchase or transfer, directly or indirectly, into the Union of iron and steel products listed in Annex XVII of Regulation (EU) No 833/2014, if they originate in or are exported from Russia.
- and, as of 30 September 2023, the import, purchase or transfer, directly or indirectly, into the Union of iron and steel products listed in Annex XVII which have been processed in a third country incorporating iron and steel inputs originating in Russia.

We confirm that we have taken these regulations into account on our end, and we are requesting our suppliers to confirm their compliance with these same provisions. As of today, we have not identify any specific risks in our supply chain, and we will keep you informed of any potential risks that may be reported to us in the future.

Yours sincerely

Cyril Demoulin

QHSE Manager
